Dear sir,

Attention Chairman Players Status Committee.

**PETITION AGAINST KWARA UNITED FOOTBALL CLUB FOR FAILURE
TO PAY OUSTANDING SIGN-ON FEE OF ERSTWHILE PLAYERS AND
OFFICIALS DUE SINCE 2014 TO 2017 SEASONS**

The above subject matter refers

We are solicitors representing the Erstwhile players and officials of Kwara United Football Club subsequently refers to as our clients.

We, bring to your attention on behalf of our clients a pressing issue that demands urgent action. Despite the passage of time since the 2014/2015 season, the sign-on fee payments owed to our client have remained outstanding, causing significant financial distress.

Kwara United F.C is indebted to our clients in the sum of N196,043,263.00 One Hundred and Ninety Six Million, Forty Three Thousand Two Hundred and Sixty Three Naira only being outstanding sum due on sign-on fee of our clients since 2014/2015 to 2017 Seasons based on unilateral reviewed backward and calculation of the Management.

It is imperative to note that it was after several demands via letters and meeting with the management of Kwara United F.C, that the said management of Kwara conducted a review of the fees owed to each of our clients unilaterally, yet made payment of only 5 million Naira sometimes in July 2023 which falls drastically short of the total amount due, representing a mere 2.4% of our clients' rightful entitlement. This inadequate payment has left many of our clients in dire circumstances, with some facing abject poverty and others battling health challenges while some are late for lack of good medical care due to lack of fund.

This dastardly act of management of Kwara United F.C is becoming unbecoming of them. They are in the habit of laying off players without recourse to FIFA rules yet refuse payment of their entitlements. Rot in their system and financial misappropriation is a manifestation of lack of check and balancing and no transparency within their management system.

We are using this medium to call for prompt intervention and urge you to use your good office to launch a thorough investigation into the affairs of Kwara United F.C for failure to fulfill their financial obligations to our clients and other activities which is 10 years already. We implore you to impose necessary sanctions on the club if found guilty of the allegations against them to rectify this longstanding issue and ensure that justice is served.

The well-being of former players and officials should not be sacrificed at the expense of negligence, misappropriation and mismanagement. It is our hope that the Nigeria Football Federation will intervene decisively to address this matter and provide the much-needed relief to those who have been unjustly affected.

Attached herewith for ease of reference are the letter of demand written our Y.Y Ajibade Esq, Counsel representing the erstwhile players of Kwara United F.C and officials and documents containing the reviewed sign-on fee prepared by the management of Kwara United F.C and Schedule of payment of 2.4% payment of the total sum due.

We thank you as we await prompt response from you.

Yours faithfully,

Y. Y Ajibade Esq
